A. Read the passage.**Happy Graduation!**

Yesterday, we attended the graduation dinner. It was held in the grand hall of Island Hotel. Before we enjoyed the feast, our headmaster Mrs Cheung gave a touching speech. She congratulated us and wished us a bright future. We went up stage class by class to receive our graduation certificate. We were all smiling brightly.

While we were enjoying the feast, Calvin asked, 'Which secondary school will you guys go to? Alvin and I are going to the Little Bay Secondary School.'

Billy said, 'I am going to Bay Side Secondary School. It is next to your school. We can have lunch together in the future!'

Alvin said, 'That's nice! Why do you look sad, Franco?'

Franco said, 'My parents and I decided to move to London. I am going to study in London First Secondary School. I am afraid we won't be friends anymore in the future.'

Billy said, 'Don't be silly! We will always be good friends! We can still chat through phone and social media!'

Calvin said, 'Billy is right! Moving to another country doesn't affect our friendship.'
