**A. Read the passage below carefully.**

**A New Dictionary**

1 I am Boris. I like to read storybooks. I read storybooks with my sister every evening. Sometimes, we do not know the meaning of some difficult words. So, we decide to go to the bookstore and buy an English dictionary.

5 The bookstore is in the shopping mall. It is large. After a while, we find out where the dictionaries are. There are Chinese, English and Japanese dictionaries. Some English dictionaries explain the words in Chinese, while some others explain the words in English.

10 My sister and I choose a dictionary called 'Student English Dictionary'. It explains the words in English. It also has colourful pictures. There are five thousand words in the dictionary. We both think that the dictionary is useful because there are many  
15 sample sentences for each word.
